

Penny & Bill's

BabyBassinet.com Baby Bassinet Archives

A family tradition since 1920! Our Great Uncle John (shown on the left in 1920 and 1968) was nicknamed by the Chicago Tribune in 1968 as the *Bassinet King*! And for good reason, he designed and wove so many different baby bassinets, that it is likely that if you were born between 1920 and 1990 - you slept in one of his Baby Bassinets! In fact, he was so good he created exclusive designs for Marshall Fields in Chicago and Badger Baskets in Wisconsin! Enjoy looking at his designs!

Your American Wicker Weavers!

Artistic Reed & Willow Manufacturing Company (Chicago, Illinois USA) was started by Great Uncle John in 1920 and operated by our family (the Novotny's, Bill's Mother's family) until 1993. Left: Joe, John Jr. and Lou in 1993 at their Chicago factory. Center: John Jr. weaving in 1993. Right: Two of their baby bassinets in 1993. In 1990, Penny & Bill started their own wicker company in Brookfield, Illinois, USA.
